

'MOTS DE ZAZA' SCHOOL LIBRARY COMMITTEE

February 2010

Dear Parents

Are you travelling to the UK or receiving visitors from the UK by car this coming half-term holiday or at Easter?

Do you think there might be room in the car for a box or two of books?

If so, we would really appreciate your help!

As I've mentioned before, we use several discount sources in the UK when buying books for the school library, but these companies only deliver within the UK. We therefore need a UK address where the books can be delivered, and of course we need people willing to bring them over to Luxembourg.

Please help us if you can!

The orders would need to be made by next week at the latest (before the half-term holiday) so please contact me as soon as possible if you can offer transport.

Of course, this request for help extends throughout the year, so if you or anyone you know goes regularly to the UK then please get in touch to offer your assistance.

Many thanks

Kind regards

Andrée Regnier
